Roam faster: KnowRoaming announces 4G LTE roaming

— Low cost global roaming now available at fastest data speeds —

TORONTO, Ontario — August 23, 2017 — KnowRoaming, the global connectivity company, today announced the availability of 4G LTE roaming in 60 countries. Now all KnowRoaming customers with a 4G LTE enabled device can enjoy these faster data speeds at the same low rates when they travel.

The company has been quietly rolling out 4G LTE for several months in a rigorous testing phase to ensure superior connectivity. The new 4G LTE network is bringing better coverage, reduced latency, and faster speeds for KnowRoaming customers to enjoy in popular destinations worldwide.

“We are excited to share our 4G LTE network with everyone,” said Gregory Gundelfinger, KnowRoaming CEO. “Our team worked hard to build and deliver a robust network supporting 4G LTE that our customers can enjoy. We will continue to expand our LTE coverage across the globe, with a priority on destinations where our customers want to use it most,” said Gundelfinger.

KnowRoaming makes it simple for business and leisure travelers to stay connected with their Global SIM Sticker, Global SIM Card, and Global Hotspot. All usage is transparently managed in real-time with the KnowRoaming app or management portal. KnowRoaming offers per MB data rates and daily Unlimited Data packages for one flat rate of \$7.99 USD a day. Plus all KnowRoaming customers can take advantage of free, unlimited WhatsApp data usage for messaging, voice and video calling.

KnowRoaming customers enjoy:

- Network coverage in 200+ countries and territories
- Unlimited Data packages for \$7.99 USD/day in 100+ countries
- Free WhatsApp data usage in 140 countries
- 4G LTE coverage in 60 countries and counting (see full list of countries below)

About KnowRoaming

KnowRoaming delivers truly end-to-end solutions for global connectivity. For consumer, corporate, and enterprise customers, KnowRoaming offers flexible delivery mechanisms, customizable management platforms, and a global mobile network. KnowRoaming launched the world's first Global SIM Sticker in 2013 and has since developed new industry-disrupting innovations: the IoT Connect, the Global Hotspot, the SoftSIM Platform, and the Global SIM Card. Each product includes fully transparent, real-time management tools that can be tailored to customers' needs. KnowRoaming has coverage in 200+ countries at rates up to 85% lower than carriers. KnowRoaming is a technology company focused on innovation and customer experience. Learn more at www.knowroaming.com.
